

~~ PETS AT SEA ~~

Czar, a purebred Collie, hated the water yet put up with sea life in his own cool style. Everyone took note of his sensible, lion's haircut and his gentle manner, especially with children, endeared him to all. Czar lived most of his 12 years alongside owners Ken Preskitt and Andrea Jansen aboard their trawler *Ruff Life*, based in Puerto Rico.

*Our thanks to artist and writer
Andrea Jansen for sharing memories
of the late Czar with our readers.*
